Plaintiff Securities and Exchange Commission ("SEC") respectfully submits this statement of non-opposition to the Motion of the Receiver, Thomas C. Hebrank, to Extend Receiver's Authority to Use Existing Reserves to Cover Unfunded Premium Payments for 30 Days (Dkt. No. 210).

The Receiver's motion is based on a thoughtful analysis of the portfolio of life insurance policies that are held by PWCG Trust, and in which the investors purchased life settlement interests through Pacific West Capital Group, Inc. The Receiver's motion identifies the problems with the life settlements that were created and sold by Pacific West, outlines the steps the Receiver is taking in an effort to salvage some value for the investors, and presents a reasoned interim plan while additional, necessary information is obtained and a final management plan can be formulated.

The SEC does not oppose the motion, and supports the requested relief.
